NOTICE

The idea to have merit cum interview based selection of various committees/societies is to promote merit and invite wider participation of interested candidates. Towards this goal it is desirable that those who have occupied offices (except the post of executive) of President, Vice President, Joint Secretary, Treasurer of a particular society or committee should not be reselected for any of the post of Coordinator, Deputy Coordinator and Treasurer in the current academic session. Therefore the society / committee should take care of this fact and re-examine the selection of office bearers in order to ensure that no student is selected again in this academic session.

A representation of repetition has been found in Family Counseling Centre (FCC) and Debating Society. Kindly rectify if any student who was office bearer in any of last two academic session; he/she is not again selected for the current academic session.
